LAURA GONZALEZ

“For God did not send his son into the world to condemn the world, but that the world might be saved through him”.
JN 3:17

The Gospel today is sometimes called “The Gospel in miniature” because it so concisely sums up the Gospel message. In even more condensed form, “God loved... God gave...” is the paradigm for stewardship – we give because we love.

Defending Our Religious Liberty

According to Archbishop William E. Lori of the USCCB Ad Hoc Committee for religious freedom, evangelizing not only saves souls, it also preserves religious freedom. When people’s minds and hearts have been opened to the truth and beauty of God’s love and the love of God has been poured into their hearts – then the natural endowment of religious freedom comes alive and people are more likely to defend religious freedom in society. As lawmakers move to revise the health care mandate, may they procure our religious freedom.

“God so love the world that He gave His only Son.” Priests and religious are called to carry on the work of Jesus and invite others to experience His redemption and eternal life. If you are ready to answer the call to priesthood or religious life, call: **Fr. Jeffrey Gubbiotti**, Director of Vocations, Archdiocesan Center @ St. Thomas Seminary, Tel. 860-242-5573, e-mail: vocations@aohct.org visit the web at: www.hartfordpriest.com
